

Oracle America, Inc.
SuiteAnalytics Connect Drivers
END USER LICENSE AGREEMENT (“Agreement”)

This Agreement is made effective as of the date of the applicable Estimate or Order Form that references SuiteAnalytics Connect and the associated SuiteAnalytics Connect ODBC, JDBC and ADO.Net drivers (hereinafter, drivers collectively referred to as the “Product”) is signed or otherwise accepted by Customer. Customer should carefully read the following terms before executing or otherwise accepting the Agreement or installing or using SuiteAnalytics Connect or the Product.

By accepting the Agreement and installing or using SuiteAnalytics Connect or the Product you represent that (i) you are employed by or affiliated with an Oracle Customer (“Customer”); (ii) you are an authorized user of the NetSuite hosted business solution (“Service”), subject to the Subscription Services Agreement or License Agreement (“SSA”) and (iii) you are an authorized user of the NetSuite SuiteAnalytics Connect, also subject to the SSA. In order to use the Product, you must have acquired rights to use both the Service and SuiteAnalytics Connect. This Agreement applies to the Product provided or made available to you for download for no additional fee when you have a subscription to SuiteAnalytics Connect. For clarification, use of the Product is under this Agreement rather than the SSA. The Product is a Third Party Application as defined in the SSA. In the event of a conflict between this Agreement and other terms, the terms of this Agreement shall apply solely with respect to use of the Product. This is a legal agreement between Oracle America, Inc. (“Oracle”) and you, a User, as defined below. You represent that you are authorized to agree to the following terms on behalf of the Oracle Customer. All references to “you,” “your” or User shall mean the Customer.

IMPORTANT: ORACLE AMERICA, INC. (“ORACLE”) IS ONLY WILLING TO PROVIDE THE PRODUCT AND DOCUMENTATION TO YOU UNDER THESE TERMS AND CONDITIONS. YOUR ACCEPTANCE OF THE AGREEMENT, DOWNLOAD OR USE OF THE PRODUCT, YOUR ACT OF CLICKING ON THE “ACCEPT” OR “YES” BUTTON, OR ANY USE BY YOU OF THE PRODUCT OR DOCUMENTATION WILL SIGNIFY YOUR AGREEMENT TO BE BOUND BY THESE TERMS AND CONDITIONS. IF YOU DO NOT AGREE WITH THE TERMS AND CONDITIONS OF THIS AGREEMENT, DO NOT EXECUTE OR OTHERWISE ACCEPT THE ESTIMATE, ORDER FORM OR AGREEMENT, CLICK THE “DO NOT ACCEPT” OR “NO” BUTTON, AND DO NOT PROCEED WITH THE DOWNLOAD, USE, OR INSTALLATION OF THE PRODUCT. THE TERM PROMPTLY AS USED HEREIN SHALL MEAN NO LATER THAN SIXTY (60) DAYS FOLLOWING THE DELIVERY OF THE PRODUCT AND DOCUMENTATION TO YOU.

1. Grant and Scope of License.

1.1 The Product is licensed, not sold, to you for use under the terms of this Agreement. Subject to the terms and conditions contained herein, and subject to User’s acceptance of the license terms and any applicable fees for SuiteAnalytics Connect, Oracle grants to you (“User”) a non-exclusive, non-transferable, limited license to use the Product and related documentation (“Documentation”), if any. User’s use of the Product shall be limited to internal business use in conjunction with SuiteAnalytics Connect and all such use shall be in accordance with the provisions and limitations set forth herein. This license is non-transferable and limits you to use of the Product on Linux- or Windows-based computers that you own or control. Oracle reserves all rights not expressly granted to User in this Agreement.

1.2 User may not transfer, sell, assign or otherwise convey this Agreement or the Product, by operation of law or otherwise, to any other party. User may not sell, rent, license, or grant sublicenses, leases, or other rights in the Product to others or otherwise allow the Product to be accessed by another party. User shall have no right to use the Product to provide time sharing services or act as or operate a service bureau or provide subscription or hosting services for others, nor to use the Product in or with any software application that is made available on a time sharing, service bureau, subscription or hosting basis. User may not use the Product to develop, test,

support or market products that are competitive with and/or provide similar functionality to the Product. This Agreement automatically terminates if User novates, assigns, sells, rents, licenses, grants, sublicenses, leases or otherwise transfers possession of any copy of the Product or Product Updates to another party or purports to do the same.

1.3 For purposes of this Agreement a “Product Update” shall mean any update, patch, version and/or new release of or to the Product that Oracle furnishes generally to its customers who are on support in accordance with Oracle’s then current support policies. A Product Update replaces part or all of a Product or Product Update previously licensed to User and shall terminate such previously licensed Product or Product Update to the extent replaced by the Product Update. Product Updates shall be subject to the terms and conditions of the license agreement, if any, accompanying the Product Update. If no such terms and conditions accompany the Product Update, the Product Update shall be licensed by this Agreement.

1.4 The term of this Agreement and User’s license to the Product shall be co-terminous with User’s license to SuiteAnalytics Connect, and the license for the Product shall be subject to termination in accordance with the provisions of Section 2.2 below.

2. Oracle’s Rights.

2.1 The Product is a proprietary product of Oracle or its licensors and is protected by intellectual property law. By virtue of this Agreement, User acquires only the non-exclusive right to use the Product and does not acquire any rights of ownership or other right in the Product, Documentation or the media upon which they are embodied. Oracle or its licensors (if any) shall at all times retain all right, title, and interest in the Product, Documentation and media. Except as otherwise expressly provided for in this Agreement, User acquires no rights of any kind in or to any trade name, logo, or trademark of Oracle or Oracle’s affiliated companies or licensors, or any product designation under which the Product is marketed and shall not make use of the same for any reason except as expressly authorized by this Agreement or otherwise authorized in writing by Oracle.

2.2 This Agreement and your license to the Product shall terminate immediately and automatically without notice upon any termination of the Customer’s subscription to the Service or to SuiteAnalytics Connect, or if you fail to comply with any term(s) of this Agreement. Upon such termination, you shall cease all use of the Product, and destroy or permanently delete all copies, full or partial, of the Product. Termination of this Agreement shall not entitle the Customer or you to any refund, credit, or other compensation from Oracle or its licensors.

3. Non-Disclosure; Copies; Alterations. User acknowledges that the Product is the valuable proprietary and trade secret information of Oracle or its licensors (if any). User shall (i) limit use and disclosure of the Product to its employees and to its consultants who agree to be bound by the terms of this Agreement; (ii) not provide or disclose any of the Product to any other party without the prior written consent of Oracle; (iii) take all reasonable precautions to maintain the confidentiality of the Product. User agrees, under penalty of license termination but not exclusive of any other remedies, not to cause or permit the reverse engineering, modification, decryption, extraction, disassembly, copying, or decompilation of the Product (except as permitted by applicable law). User may copy the Product for additional Users of Customer, or for archival purposes. User may copy the Documentation (in electronic format) solely for the purpose of facilitating User’s use of the Product in accordance with, and subject to, the terms and conditions of this Agreement. User may not copy nor allow others to copy the Product or any Product Update, or any portion thereof, for any purpose other than expressly set forth herein. User agrees not to remove any product identification, copyright notices, or other notices or proprietary restrictions from the Product and may not disclose any information regarding any benchmark or similar tests of the Product to any third party.

4. NO WARRANTY. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT USE OF THE PRODUCT IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE PRODUCT AND ANY SERVICES PERFORMED OR PROVIDED BY THE PRODUCT ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND ORACLE HEREBY DISCLAIMS ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE PRODUCT, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, OF SATISFACTORY QUALITY, OF FITNESS FOR A PARTICULAR PURPOSE, OF ACCURACY, OF QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. ORACLE DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE PRODUCT, THAT THE FUNCTIONS CONTAINED IN, OR SERVICES PERFORMED OR PROVIDED BY, THE PRODUCT WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE PRODUCT WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE PRODUCT WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ORACLE OR ITS AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE PRODUCT PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU. ORACLE IS SOLELY RESPONSIBLE FOR ANY APPLICABLE PRODUCT WARRANTIES, WHETHER EXPRESS OR IMPLIED BY LAW, TO THE EXTENT NOT EFFECTIVELY DISCLAIMED IN THIS AGREEMENT.

Without limiting the scope of the disclaimers set forth herein, Oracle, for example, does not warrant that errors cannot arise during the use of the Product. Further, the Product is not fault tolerant and is not designed, manufactured or intended for use in hazardous environments requiring fail-safe performance (including, without limitation, the design, construction, operation or maintenance of any nuclear facility; direct life support machines; weapon systems; or control of aircraft, air traffic, aircraft navigation or aircraft communications), in which the failure of the Product could lead directly or indirectly to death, personal injury or severe physical or environmental damage. Without limiting the scope of the disclaimers set forth herein, Oracle for itself and on behalf of its licensors and their respective suppliers, disclaims any express or implied warranty of fitness for any such high risk uses. THE WARRANTY INFORMATION SPECIFIED IN THIS SECTION 4 GIVES THE USER SPECIFIC LEGAL RIGHTS, AND MAY ALSO IMPLY OTHER RIGHTS WHICH VARY FROM STATE TO STATE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION ON HOW LONG ANY IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATIONS MAY NOT APPLY.

5. LIMITATION OF LIABILITY. TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL ORACLE BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE PRODUCT, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF ORACLE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU. In no event shall Oracle's total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of fifty dollars (\$50.00). The foregoing limitations will apply even if the above stated remedy fails of its essential purpose. Oracle reserves the right to change, suspend, remove, or disable access to the App at any time without notice. In no event will Oracle be liable for the removal of or disabling of access to the App. Oracle may also impose limits on the use of or access to the App, in any case and without notice or liability.

6. Export Regulations. The Product, including technical data, is subject to U.S. export control laws, including, without limitation, the U.S. Export Administration Act and its associated regulations, and may be subject to export or import regulations in other countries. User shall not directly or indirectly export or re-export

the Product, or the direct product thereof, without first obtaining Oracle's written approval. User agrees to comply strictly with all regulations and acknowledges that it has the responsibility to obtain licenses to export, re-export or import the Product. The Product may not be downloaded, or otherwise exported or re-exported into, or to a national or resident of any country to which the U.S. has embargoed goods; or (ii) to anyone on the U.S. Treasury Department's list of Specially Designated Nations or the U.S. Commerce Department's Table of Denial Orders as amended from time to time. By using the Product, you represent and warrant that you are not located in any such country and you do not appear on any such list. User shall indemnify and defend Oracle and its licensors from and against any claim that User's exportation of the Product violate such laws, and will pay all costs, fines, damages or fees related to claims or findings of such violations.

7. U.S. Government Restricted Rights.

(a) The Service is a "commercial item" as that term is defined at FAR 2.101. If you are a US Federal Government (Government) Executive Agency (as defined in FAR 2.101), Oracle provides the Service, including any related software, technology, technical data, and/or professional services in accordance with the following: (a) if acquired by or on behalf of any Executive Agency (other than an agency within the Department of Defense (DoD), the Government acquires, in accordance with FAR 12.211 (Technical Data) and FAR 12.212 (Computer Software), only those rights in technical data and software customarily provided to the public as defined in this Agreement; or (b) if acquired by or on behalf of any Executive Agency within the DoD, the Government acquires, in accordance with DFARS 227.7202-3 (Rights in commercial computer software or commercial computer software documentation), only those rights in technical data and software customarily provided in this Agreement. In addition, DFARS 252.227-7015 (Technical Data – Commercial Items) applies to technical data acquired by DoD agencies. Any Federal Legislative Agency or Federal Judicial Agency shall obtain only those rights in technical data and software customarily provided to the public as set forth in this Agreement. If any Federal Executive Agency, Federal Legislative Agency, or Federal Judicial Agency has a need for rights not conveyed under the terms described in this Section, it must negotiate with Oracle to determine if there are acceptable terms for transferring such rights, and a mutually acceptable written addendum specifically conveying such rights must be included in any applicable contract or agreement to be effective. This U.S. Government Rights Section is in lieu of, and supersedes, any other FAR, DFARS, or other clause, provision, or supplemental regulation that addresses Government rights in computer software or technical data under this Agreement.

(b) Contractor/manufacturer is Oracle America, Inc., 500 Oracle Parkway, Redwood Shores, CA 94065. The Product is protected by copyright law and international treaties. Unauthorized reproduction or distribution of the Product or any portion of the Product may result in severe civil and criminal penalties, and will be prosecuted to the maximum extent possible under the law. All rights reserved under the copyright laws of the United States.

8. Support. If Oracle offers support and User orders and pays for such support, it shall be provided in accordance with Oracle's then current technical support policies.

9. Miscellaneous. THIS AGREEMENT, INCLUDING ANY OTHER TERMS EXPRESSLY REFERENCED HEREIN, CONSTITUTES THE COMPLETE AGREEMENT BETWEEN THE PARTIES WITH RESPECT TO THE PRODUCT AND, EXCEPT AS OTHERWISE EXPRESSLY STATED IN THIS SECTION 10, SUPERCEDES ANY OTHER AGREEMENT, COMMUNICATION OR ADVERTISING, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCT. To the extent there are any terms and conditions contained in User's purchase order or other documentation supplied by User ("User Documents"), the terms and conditions contained in the User Documents shall be deemed to be stricken and the terms and conditions of this Agreement shall govern. In the event of a conflict between the provisions of this Agreement and the specific provisions of the documents referenced in this Agreement, the terms of this Agreement shall control with respect to the Product. Oracle reserves the right to add or modify terms of this Agreement at any time by providing or making available notice of such additions or changes to you at the URL where the Agreement is posted. Such changes will become binding on you (and are incorporated herein by reference) immediately upon posting. If any provision of this Agreement is held to be unenforceable, such

provision shall be limited, modified or severed as necessary to eliminate its unenforceability, and all other provisions shall remain unaffected. Oracle's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision.

10. GOVERNING LAW AND VENUE. This Agreement is governed by the substantive and procedural laws of the State of California and each party agrees to submit to the exclusive jurisdiction of, and venue in, the courts in San Francisco or Santa Clara counties in California in any dispute arising out of or relating to this Agreement. The Uniform Computer Information Transactions Act does not apply to this Agreement or to orders placed under it.

11. THIRD PARTY SOFTWARE. The Product may be distributed with software governed by licenses from third parties ("Third Party Software" and "Third Party License"). Any Third Party Software is licensed to you subject to the terms and conditions of the corresponding Third Party License, notwithstanding anything to the contrary in this Agreement. Oracle makes no representation or warranty concerning Third Party Software and shall have no obligation or liability with respect to Third Party Software. More information on Third Party Licenses included in this Software can be found in Attachment A. Terms defined in Attachment A apply only to Attachment A.

(2) Public Domain:

Progress DataDirect OpenAccess v8.1 incorporates Hwaci SQLite v3.45.1. Such technology is subject to the following terms and conditions:

SQLite Copyright

SQLite is in the Public Domain

All of the deliverable code in SQLite has been dedicated to the public domain by the authors. All code authors, and representatives of the companies they

work for, have signed affidavits dedicating their contributions to the public domain and originals of those signed affidavits are stored in a firesafe at the main offices of Hwaci. Anyone is free to copy, modify, publish, use, compile, sell, or distribute the original SQLite code, either in source code form or as a compiled binary, for any purpose, commercial or non-commercial, and by any means.

The previous paragraph applies to the deliverable code in SQLite -those parts of the SQLite library that you actually bundle and ship with a larger application. Portions of the documentation and some code used as part of the build process might fall under other licenses. The details here are unclear. We do not worry about the licensing of the documentation and build code so much because none of these things are part of the core deliverable SQLite library. All of the deliverable code in SQLite has been written from scratch. No code has been taken from other projects or from the open internet. Every line of code can be traced back to its original author, and all of those authors have public domain dedications on file. So the SQLite code base is clean and is uncontaminated with licensed code from other projects.

Obtaining An Explicit License To Use SQLite

Even though SQLite is in the public domain and does not require a license, some users want to obtain a license anyway. Some reasons for obtaining a license include:

You are using SQLite in a jurisdiction that does not recognize the public domain.

You are using SQLite in a jurisdiction that does not recognize the right of an author to dedicate their work to the public domain.

You want to hold a tangible legal document as evidence that you have the legal right to use and distribute SQLite.

Your legal department tells you that you have to purchase a license.

If you feel like you really have to purchase a license for SQLite, Hwaci, the company that employs the architect and principal developers of SQLite, will sell you one.

Contributed Code

In order to keep SQLite completely free and unencumbered by copyright, all new contributors to the SQLite code base are asked to dedicate their contributions to the public domain. If you want to send a patch or enhancement for possible inclusion in the SQLite source tree, please accompany the patch with the following statement:

The author or authors of this code dedicate any and all copyright interest in this code to the public domain. We make this dedication for the benefit of the public at large and to the detriment of our heirs and successors. We intend this dedication to be an overt act of relinquishment in perpetuity of all present and future rights to this code under copyright law.

We are not able to accept patches or changes to SQLite that are not accompanied by a statement such as the above. In addition, if you make changes or enhancements as an employee, then a simple statement such as the above is insufficient. You must also send by surface mail a copyright release signed by a company officer. A signed original of the copyright release should be mailed to:

(3) Apache License 2.0:

Progress DataDirect OpenAccess v8.1 incorporates OpenSSL 3.0.15. Such technology is subject to the following terms and conditions: Apache License Version 2.0, January 2004 [http://www.apache.org/licenses/TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION](http://www.apache.org/licenses/TERMS_AND_CONDITIONS_FOR_USE,_REPRODUCTION,_AND_DISTRIBUTION)

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, "control" means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as "Not a Contribution."

"Contributor" shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License.

Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License.

Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution.

You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

(a) You must give any other recipients of the Work or Derivative Works a copy of this License; and

(b) You must cause any modified files to carry prominent notices stating that You changed the files; and

(c) You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use,

reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions.

Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks.

This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty.

Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability.

In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability.

While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License.

However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.
