

# The Oracle MICROS Workstation 625X and 655X

The next-generation Oracle MICROS Workstation 6 Series builds on Oracle Hospitality's industry-proven hardware platform, providing increased performance capabilities for hotel, casino, and cruise line restaurant operators and their customers.

## STURDY, SMART, AND STYLISH

Restaurants are tough on technology, from spills and drops to mealtime rushes, and they require a hardware solution with modern features that can withstand the demands of rugged, day-to-day use. Equipped with the processing power, payment capabilities and durability you need, our hardware is purpose-built for the restaurant environment and designed to meet the demands of a fast-operating business. Featuring a stylish, contemporary design and a slim footprint, the new Workstation 6 family works hard and looks good.

## KEY FEATURES

Our Workstation 625X and 655X deliver the functionality, stability, durability, and modern design you have come to trust and depend on from Oracle MICROS workstations. Building on the long-established, industry-proven hardware platform, these workstations feature innovations that simplify daily staff tasks, strengthen core functions that support operations, and enhance guest experiences with customer-facing technology.

## BENEFITS

- Choice of Linux or Windows OS
- Reduced power requirements for longer device lifetime
- Non-glare screen for better viewing in bright locations
- Larger screen for easier order entry
- Simplified and secure employee sign-in
- Improved speaker design for self-service applications

## WORKSTATION SPECIFICATIONS

- Additional video and powered I/O ports
- Tamper detection functionality to improve POS security
- Native Wi-Fi and RFID capability for employee login
- Additional 10/100/1000G ethernet port
- Power supply is internal to Oracle MICROS Workstation 6's adjustable stand, ensuring it is always correctly placed and not subject to abuse and spills that plague external units
- Unique hood and pin mechanism enables workstation to slide easily onto the adjustable stand and automatically locks securely in place

## HARDWARE COMPATIBILITY

SYSTEM	
Processor	<b>625X:</b> Intel Celeron 4305UE dual-core 2.0 GHz <b>655X:</b> Intel Core i5-8365UE quad-core 4.10 GHz
RAM	8GB
Storage	<b>625X:</b> 128GB SSD <b>655X:</b> 256GB SSD
OS	Oracle Linux for MICROS OR Windows 10 IoT Enterprise
Display	15.6-inch widescreen, high-definition display with a projected capacitive touchscreen
Display Resolution	500 nit projected capacitive touch display with anti-glare coating
